

SMART CONTROLLER

Elevate your blinds to their full potential

For more information,
visit our website

neosmartblinds.com/smartcontroller/

Tailored step-by-step setup

Precise instructions and troubleshooting for **each motor brand**

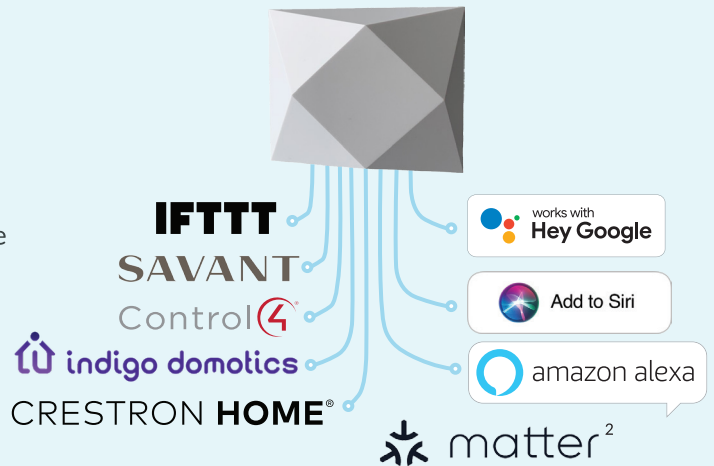

Sunset and sunrise schedules

Create schedules using your local sunset and sunrise times to **control light and privacy** of your home

Control using voice commands

Integrate your account to your preferred voice assistant¹ to **control your blinds hands-free**

About the Smart Controller

- No monthly or hidden fees
- Local and remote control
- Automatic OTA firmware updates
- Most houses need one Smart Controller. In very large homes, install multiple Smart Controllers

Technical Support

Online documentation and technical support via phone or email

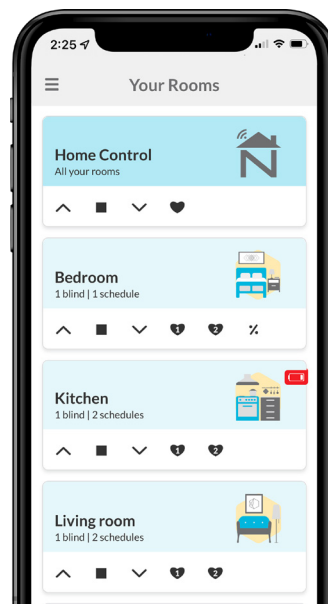

Neo Smart Blinds app

The app is available on Google Play and on the App Store. To access via a computer, search for **app.neosmartblinds.com** using a Google Chrome browser.

System requirements

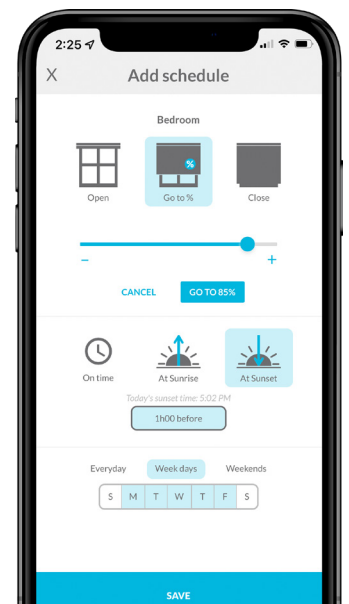

- A 2.4GHz WiFi (IEEE 802.11b/g/n), not 5GHz
- The WiFi security needs to be set to WPA-PSK or WPA2-PSK
- A strong WiFi signal in the location of your Smart Controller
- A smartphone or tablet running **Android 8.0 (Oreo) or higher**, or **iOS 12 or higher** is needed

Control your blinds individually or in groups

Vast compatibility with many different motor brands

Create schedules to your rooms adapted to your routine

¹ Supported voice assistants: Google Assistant, Alexa and Siri Shortcuts

² Coming soon

Features will differ depending on the motor brand and blind type. The specific position is only available for Neo Smart Blinds motors.

Motor compatibility and features

Neo Smart Blinds is proud to offer broad compatibility with many different motor brands through its Smart Controller. However, it's important to note the differences between our **Neo Blue Motors line**, which supports Bluetooth® through the add-on Blue Link or built-in hardware, and the compatible 433Mhz motor brands.

Compatible brands: Alpha, A-OK, Arabel, Bofu (roller, vertical and top-down/bottom-up), Dooya (one way), Gaposa, Nice, Raex, Rollease Acmeda Arc, Rollerhouses, Ronco, Simplicity, Somfy, Sunfree, Wistar.

Coming soon: Dooya bi-directional, Turnils AMP.
